invite you to the seminar

BRAZIL: EASY TO INVEST – DEMYSTIFYING DOING BUSINESS IN BRAZIL

Many Japanese companies have subsidiaries in Brazil. However, for many others, doing business in Brazil is still challenging, due to the differences on language, culture, rules and the so-called “Brazil risk”. This seminar looks to demystify dealing with all these differences for successfully investing or trading in Brazil.

Topics include

Panelists with large experience with Japanese companies in Brazil will outline Brazil’s current economic situation, opportunities and the main aspects of its legal structure, including how to start and run a business in Brazil, taxation, import, labor issues, environment, among other issues of Japanese companies’ concern.

Lecturer

Mr.Minoru Sekine

Tokyo University of Foreign Studies, Universidade de Brasilia, Business consultant for many Japanese subsidiaries in Brazil, specially advising on startups and on daily business. Former Vice-President of Banco de Tokyo S.A., in São Paulo. Former General Manager of Bank of Tokyo-Mitsubishi, Ltd., in Buenos Aires.

Mr. Ricardo Takahiro Oka

Brazilian Bar, São Paulo Section (OABSP)

LLB. Pontifícia Universidade Católica de São Paulo – PUC SP. 1984

Legal advisor with practice focused on Business Law, Corporate Law, M&A, Labor Law, Regulatory Affairs (ANVISA) and Intellectual Property Rights. Specialized on the structuring foreign direct investments in Brazil.
